

SHINING LIGHTS PRESCHOOL

4's/Pre K Class

February 2012

Classroom News

In January, we began with the topic of snow. While the weather outside did not cooperate by providing any for us, we still had fun learning how to make snowflakes! We even enjoyed playing outside in the beautiful weather! We reviewed shapes, learned about opposites and how to be a good friend. We exercised with Miss Katrina and continued to learn about Jesus as He grew up. We covered the letters S, R, Y, K, and H. February will bring us fun learning with Groundhog's Day, Valentine's Day, Dental Health Month, and Community Helpers! The kids will be very busy!

Valentine's Day Parties

Our parties will be on Tuesday, February 14. We would like for each child to bring in a Valentine for each child in the class. Please make sure that your child's name is written on each one. Please leave the "to" section blank. This makes delivering them much easier! Our morning class has 18 children and the afternoon class has 12 children.

There will be a sign up list in the classroom if you are willing to help out with the party.

Kindergarten Registration

Unit 5 will be holding their Kindergarten registration on March 20th. Check their website, www.unit5.org for individual school times. District 87 has yet to set their registration date. We will pass that on as soon as we have that information.
